*Pat and Pat Brothers are my new secret weapon.
Their charm, enthusiasm, knowledge and skill were
aimed at our audience of parents and teachers.
Everyone in attendance had a wonderful time as they
pulled out their wallets and supported our cause.*

Pat n' Pat

I was the Chair for the Corvallis Montessori School auction last year - which was the first time we had done an auction. Pat and Pat joined us very early on in our planning and attended every meeting of ours in rain or snow. They were worth every penny they charged us. For us they were our guide. We did all the work but they put us on the right track. Our goal was \$15,000- we raised \$39,000. They made our evening. There is no way we could have done it without them. They are personal, they are involved and most of all they care.
